

EXODOR® PT-600

High Performance Concentrate

NET CONTENTS:

DESCRIPTION

Exodor deodorizer products are powered by WAVE 2 Technology, exclusively developed by Walex R&D to give better performance without higher cost. Exodor liquid deodorizers control odors in extreme conditions (including heat and overuse), with unique additive that break down paper and waste to reduce mounding and prevent scale build-up. Choose the product that best fits your needs, from powerful concentrates to convenient pre-mixes. EXODOR PT-600® is a high performance concentrate.

KEY ATTRIBUTES

- Formaldehyde-based
- Week long odor control for high traffic.
- Excellent for hot to warm climates.
